EXTRUDAFORM STEEL & EXTRUDED ALUMINUM SECURITY SCREEN DOORS

This section includes a photo and specifications on Precision's line of Aluminum Screen and Extruded Aluminum Security Screen doors. These products are manufactured at our Redlands, CA plant. All Precision doors are assembled or welded in-house using the highest quality raw materials.

All Precision Aluminum Screen and Security Screen Doors have a 1 (one) year warranty on workmanship and material (See terms and conditions page for details.)

The pictures shown illustrate some of the finish options available. Standard finishes are indicated on each page. See our Precision Color Selections page.

Standard sizes shown are "call-out" sizes. The actual "standard" net frame size is indicated in this chart.

"Standard" Net Frame Size

Extruded Aluminum Security Door:

Centurion, Vanguard	29-1/4", 31-1/4" & 35-1/4" x 79-1/2"
